

# CADILLAC UP TO 1966

General information as follows:

1. Key blank references are for the profile only, using one of the more well-known blank numbers. This list does not include all variations of different head shapes, lengths, or transponders, the main object is to identify which key profile enters the lock.
2. Remember, left side (LH) is DRIVER side, right side (RH) is PASSENGER side

## IGNITION LOCKS

Year	Model	Key	Part description	Part no.	Part description	Part no.	Notes
1949-65	All	B10	Ignition cylinder	LC1420
