

GENERAL MOTORS CANADA

Most Canadian General Motors vehicles used the same brands as sold in the USA, although some of the sub model names were different. Those are listed in the main sections for Buick, Cadillac, Chevrolet, GMC, Oldsmobile, and Pontiac.

Starting in the 1960's and going through the early 1990's General Motors of Canada produced some unique brand names as follows:

Acadian 1962-66 - see the Chevrolet up to 1966 section

Acadian 1967-69 - see Chevrolet Nova in the main Chevrolet sections

Asuna SE and GT 1992-93 - see Pontiac Lemans 1992-93

Asuna Sunfire 1993 - see Isuzu Piazza 1993

Asuna Sunrunner 1992-93 – see Pontiac Sunrunner 1992-93

Beaumont 1962-66 – see the Chevrolet up to 1966 section

Beaumont 1967-69 – see Chevrolet Malibu in the main Chevrolet sections

Passport Optima 1988-91 – see Pontiac Lemans 1988-92
